*What is the cost of the resources?*

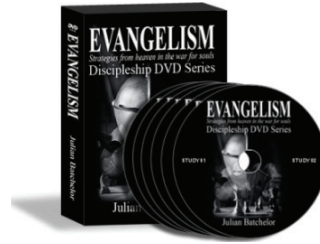

## APPENDIX 1

For this course, everyone (including the group leaders) will need an **ESSENTIAL TRUTHS** A5 size booklet, and a small supply of **EVANGELISTIC TRACTS**. The small group leaders will need a **LEADER'S STUDY GUIDE** and a set of the **EVANGELISM DISCIPLESHIP DVDs**. Everyone else will need a **EDSG** (Evangelism Discipleship Study Guide). Small group leaders ought to read **JB:SFH** (Julian Batchelor's book *Strategies from Heaven in the War for Souls*). It's not a hard read. See the endorsements at [www.esisite.com/endorsements](http://www.esisite.com/endorsements).

### LEADER'S EDSG's

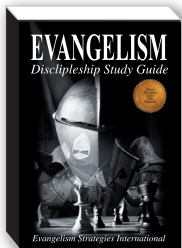

Explains in detail the various ways the course can be run in a church, tips for running the small groups, ice breakers suggestions and much much more. This guide is essential if you want to maximise the benefits of this series. This study guide had been designed to allow easy transfer from leader to leader, week to week, should groups want to share the leadership around.

### EVANGELISM DISCIPLESHIP DVD'S

There are 6 DVDs in the set and 19 studies i.e. On some DVDs, 3 or more studies are recorded. The footage is far from 'just a talking head.' You'll find each study interactive, engaging and highly stimulating.

### DVD EDSGs

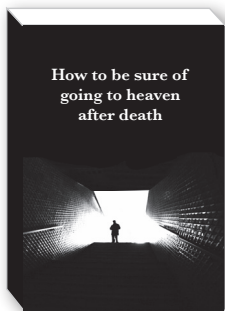

These EDSG's synchronise with each study on the DVDs. They are designed to ensure small group members finish the course with comprehensive notes. Each study finishes with 'Discussion and Application' questions which have proved to create healthy and lively debate and discussion!

### THE ESSENTIAL TRUTHS A5 BOOKLET

Within each study there are vital truths to be grasped and retained. The **ESSENTIAL TRUTHS** A5 size booklet captures these critical truths, and tests whether small group members have remembered what is absolutely necessary. This is a great resource for ensuring the teaching in the course 'goes deep and sticks.'

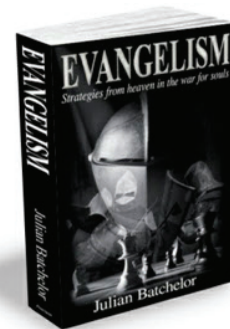

### EVANGELISTIC TRACTS

The ultimate end of this course is to have small group members actually do evangelism (James 1:22). So, right from the end of study one, we show how each person can begin evangelising by giving out tracts. 'Doing evangelism' is a critical component of this course. It was never intended to be just 'another nice teaching series' If it doesn't translate into action, we are all wasting our time.

### JULIAN BATCHELOR'S BOOK

This is really a 'must read' if you are serious about coming to grips with the challenge of mobilising yourself and others for the Great Commission, and making an impact on this generation. The issues stopping people from evangelising are numerous, subtle, and deadly. Julian deals with each one, backing his arguments and answers from scripture.

Below is an example of the investment to complete the course.  
 Say your church has 100 people who belonged to your  
 home/life/small groups.

# DOING THE SUMS....

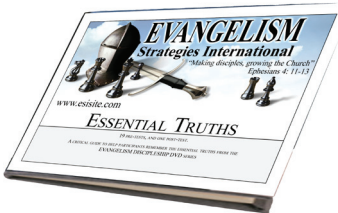

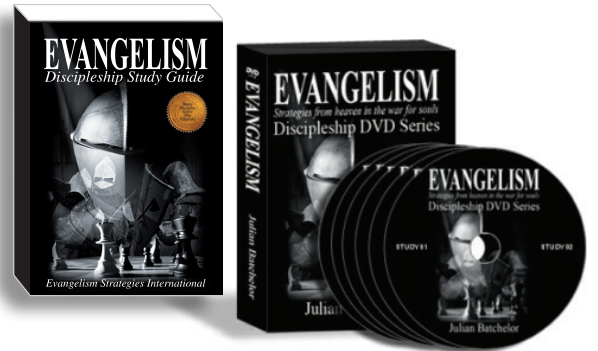

Let's presume there are 10 people in each life/small group. Each group would need a set of DVDs.

<b><u>DVDS</u></b>	<b>TOTALS</b>
First DVD	\$199.00
You'll need 9 more DVD sets @ \$89.00each	\$801.00
<b>Sub total:</b>	<b>\$1000.00</b>

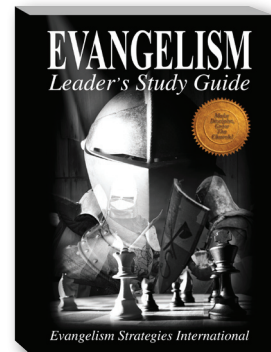

And then each person in the group would need a EDSG .

<b><u>EDSG's</u></b>	<b>TOTALS</b>
100 @ \$23.00 each	<b>\$2300.00</b>

Each person then needs an **ESSENTIAL TRUTHS** A5 size booklet . **TOTALS**  
 100 @ \$7.00 each **\$700.00**

Each group leader will need a **LEADER'S GUIDE.** **TOTALS**  
 10 copies @ \$30.00 each **\$300.00**

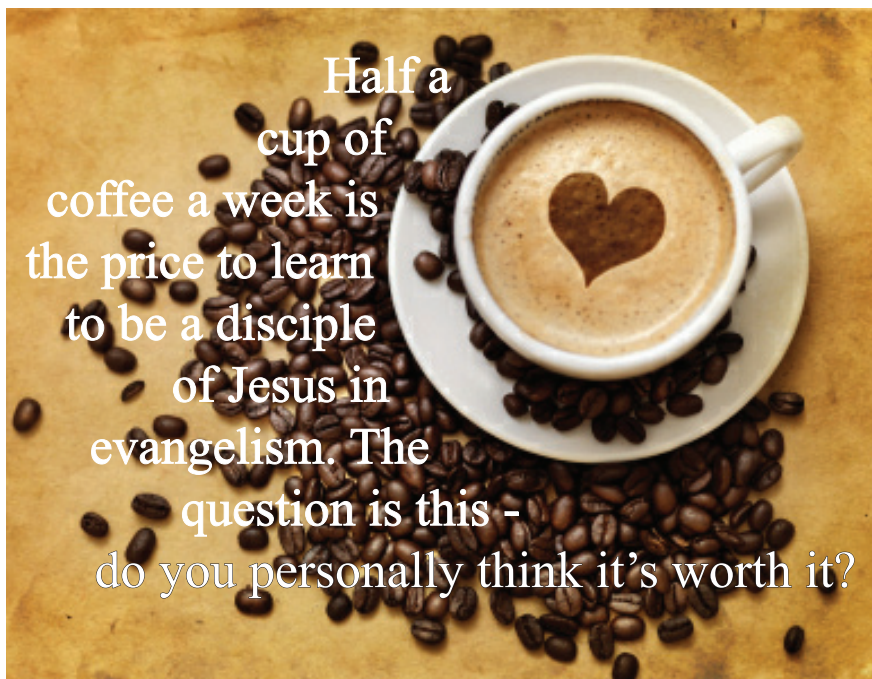

# BREAKING IT DOWN....

TOTAL FOR DVD SETS, EDSG's,  
ESSENTIAL TRUTH A5 booklets, and LEADER'S  
GUIDES  
(\$1000.00 + \$2300.00+ \$700.00 + \$300.00) =  
**\$4300.00**

If we divide \$4300 by 100, the cost of  
discipling one person in your church for evangelism would be  
approximately \$43.00.

There are 19 DVD studies, each varying in length  
from 8 minutes to 45 minutes. Dividing \$43 by 19,  
the investment is \$2.27 per session, which is about the  
cost of two bars of chocolate from Pak N Save or  
half a cup of coffee at a cafe.
