"Making disciples, growing the Church" Ephesians 4:11-13

WEEKEND CONFERENCE

How to change the DNA of your church to make it Evangelistic!

WHY YOU SHOULD COME?

Every Christian leader is passionate about wanting the people in their church to be internally motivated to reach out to non-Christians with the gospel. 'Beating the drum from the front' does not work and nor do evangelism 'programs.' What's needed is a return to the DNA of Jesus, the greatest evangelist who ever lived. He lived in the reality of being passionately internally motivated to reach out to the lost.

His DNA was most clearly manifest in the book of Acts. Any church, or individual, (no matter what your personality type or gifting) who returns to the Early Church pattern will become evangelistic, as He was. This conference provides practical steps showing exactly how to do this. Choice, not chance, determines outcomes. Choose today to return to the DNA of Jesus. Register now.

GOALS FOR THE DAY. YOU'LL FIND OUT...

Why 98% of Christians in the Western Church today don't do evangelism

How to unlock this massive group of people & help them to find liberty and freedom in evangelism

How to identify and nurture the Ephesians 4:11-12 evangelists in your church

How to get evangelists and pastors working together closely

Why unity of purpose is the key to unlocking God's blessing in your church

How to build and maintain evangelistic momentum in your church

How to unite your church and other churches in your area for the purpose of fulfilling the Great Commission

How to unlock the evangelistic potential of your church.

How to develop an intentional mission's plan with goals and direction

You are going to come away from this conference with specific, realistic, proven, practical, do-able strategies i.e. things you can actually do, step by step. This conference is far from just theory and a re-hash of old ideas. God forbid. For more info, go to the FAQ section on www.churchDNAchange.com

THIS EVENT IS FOR ALL CHRISTIANS, ESPECIALLY LEADERS!

SENIOR LEADERS OF CHURCHES: MINISTERS AND PASTORS

It's important this group of people attend so that they can lead the return to the DNA of Jesus from the front.

OTHER LEADERS

Including deacons, elders, youth pastors, children's pastors, small group leaders etc. To return to the DNA of Jesus requires 'buy in' at every level of leadership.

EVANGELISTS WITH THE EPHESIANS 4:11-12 GIFT

These people will be vital 'in the mix' as you move forwards towards a return to the DNA of Jesus.

ANYONE WHO WANTS TO FIND THEIR GOD GIVEN PURPOSE IN GOD!

If you are not a 'leader' but you are passionate about Jesus, you should definitely come! Many 'non-leaders' come to this conference and receive a revelation of not only The Mission of the Church, and the need for unity, but also of their particular purpose and calling in Christ. So, get ready to receive fresh vision and empowering for your life!
